**Topic 1:**

Study the painting by Théophile Duverger and make a list in French of all the classroom objects you see. Then, compare the classroom painting to your own classroom. What similarities and differences do you see? Compare the style of this painting with one by Claude Monet. Which holds your interest more? Why?

**Topic 2:**

Look at the painting of Salvador Dalí and compare it to the painting of Pablo Picasso. Using the Spanish color chart, write the Spanish names of the colors the two painters like to use. Do you think this painting is more or less abstract than the painting by Picasso? What do you think this painting is about?
