

FOR PARENTS!

Parents, Caregivers, and Guardians:

Do you want to:

- ***Develop a stronger connection with your child?***
- ***Decrease problem behavior in a fun way?***
- ***Jumpstart your child's motivation?***
- ***Learn positive ways to structure your child's schedule?***

If you answered yes to any of these questions, join us to learn the PAX Tools!

What are PAX tools?

PAX Tools is a collection of evidence based, trauma informed strategies to improve cooperation and self-regulation with youth. PAX Tools draws on decades of science to create strategies that support parents, youth workers, and other caring adults to create a nurturing environment that ultimately helps kids thrive!
