Dear Parents:

As we prepare for a new fall season, I would like to review with your family some student guidelines that have been in place over recent seasons. While we are aware that our events offer younger students the opportunity to socialize with each other, oftentimes we find that they are not supervised by their parents and engage in unsafe activities. For the safety of everyone in attendance, we are asking that you discuss the following guidelines with your students for appropriate behavior at our games.

1. Students below the 9th grade will not be admitted to games without an adult.
2. Students will not be permitted to loiter by the concessions stand, or under the bleachers, and play games in either of these areas.
3. Students will not be permitted to bring football, Frisbees, or other projectiles to use at the games. If a student brings any of these items, they will be confiscated for the duration of the game and will be returned after the game is finished.
4. If students do not comply with our requests to cease any behaviors that are deemed inappropriate or unsafe, their parents will be contacted, and the students will have to remain under their immediate supervision for the remainder of the game.

Once again, our objective is to provide a safe and enjoyable environment for all of our spectators. We truly appreciate your time in reviewing these guidelines with your students, and we thank you for your understanding and support throughout the rest of the season.

Yours in athletics,

Michele Wolf
Athletic Director
