

Students entering 6th grade in the fall or older are invited to join the library's Volunteering program to help with the Summer Reading Program "All Together Now!" Students can submit their applications online at www.wcdpl.org/teens-can-volunteer-wcdpl. We are holding training sessions this weekend, Saturday the 20th and Sunday the 21st, from 2-4pm both days, for new and returning Volunteers. Volunteering through the summer is an excellent way to make new friends, help your library and community, celebrate a love of reading, and have fun!
